Subject: Request for inspection reports

Hello Diana,

I was given your contact information to request copies of any/ all inspections within the past six years of the following clinics:

Planned Parenthood Heartland-Lincoln HC 059

Planned Parenthood Heartland-Omaha HC 056

Bellevue Health Center HC 001

I would like the inspection report, plan of correction, and any attachments related to the POC.

The Pro-Life Action League is a 501(c)(3) not for profit working in the public interest, if that makes any difference with respect to fees for the copying. I prefer having the results emailed, but the choice is always yours.

Thank you,

Jean Crocco
